The user accesses the existing portal choice page and selects the 'Employers' link

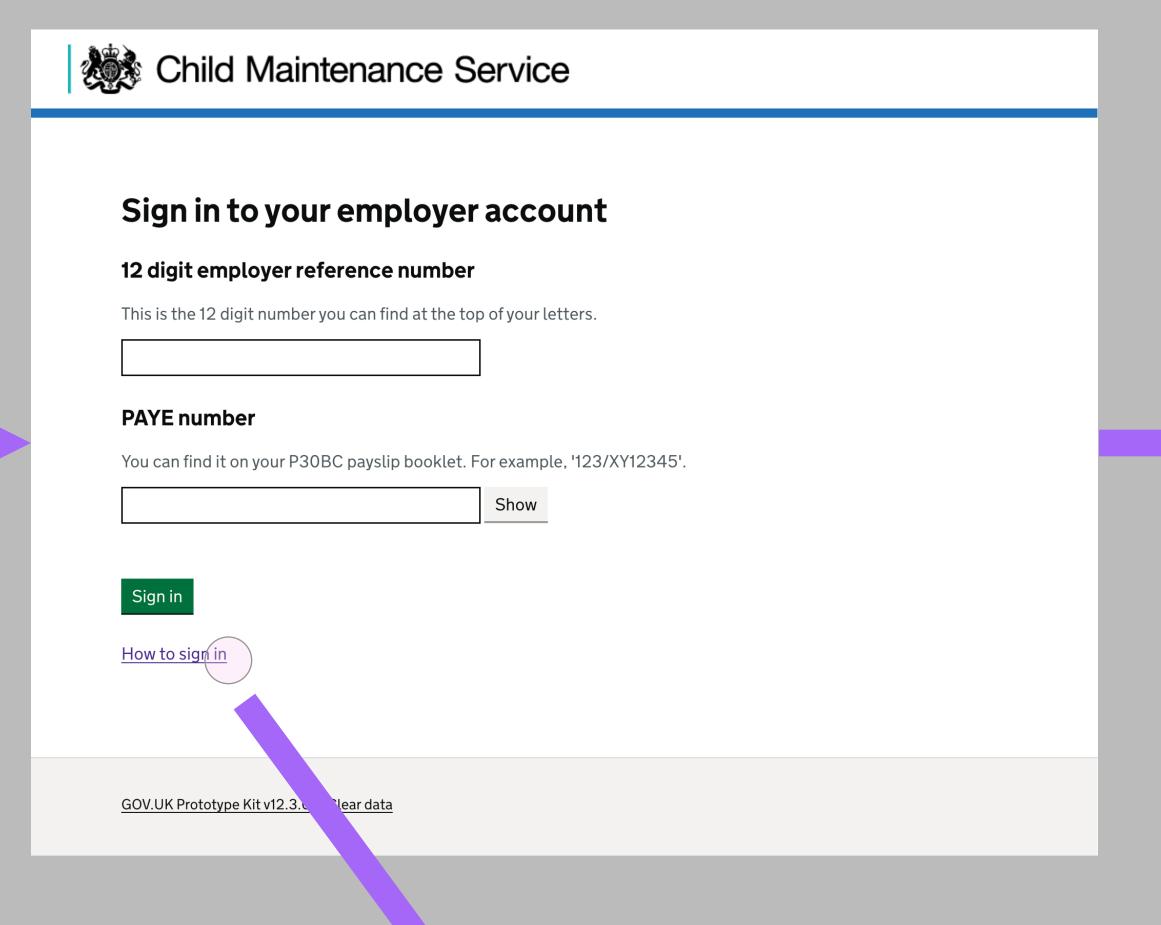

The user views a new screen with a choice of sign in options. New way - with email and password. Existing way - with ERN and PAYE numbers

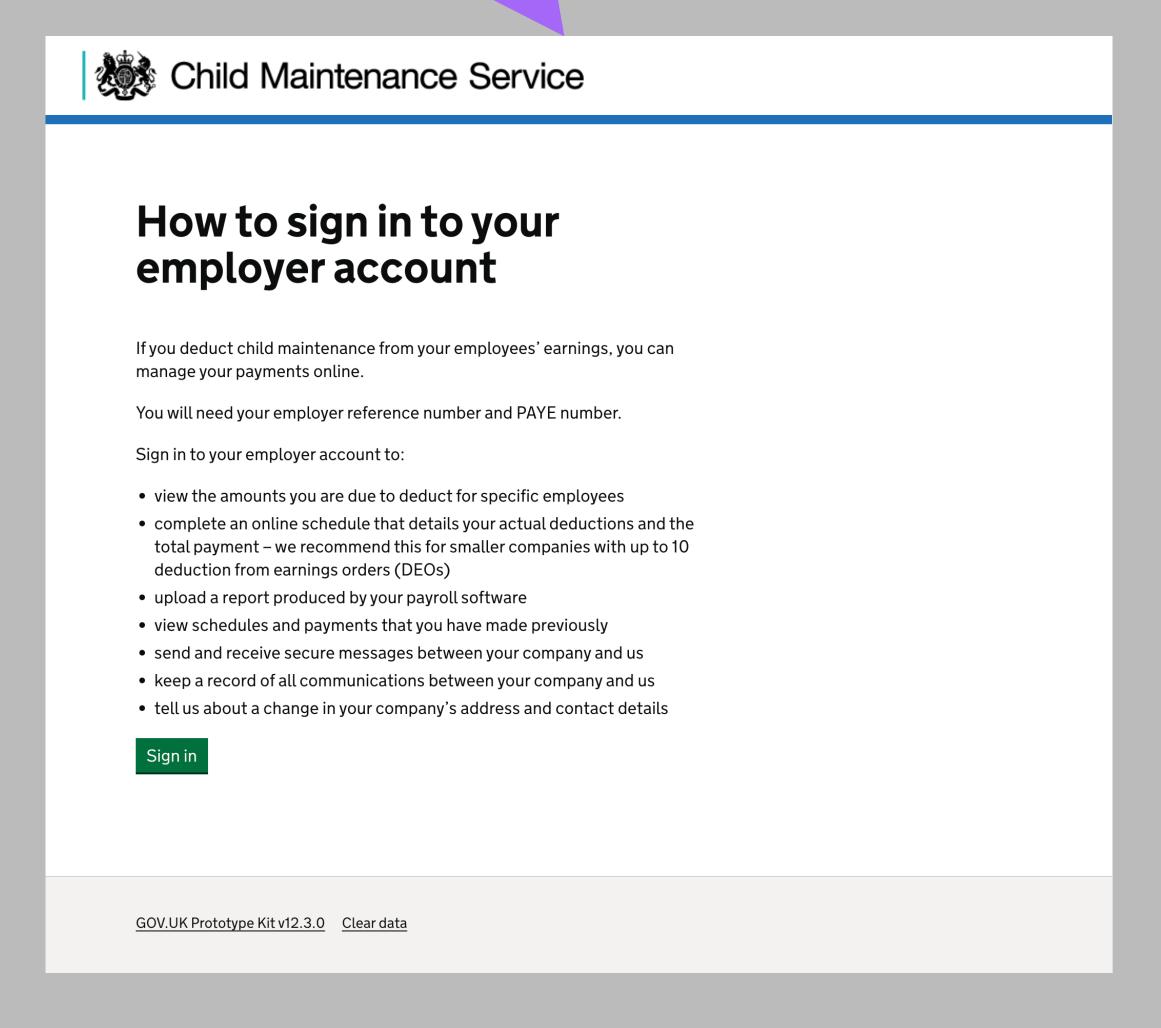

The user selects the 'New' sign in option and is directed to email and password sign in screen.

If the user is having problems signing in with their password they can click the lick and continue the 'Password reset' journey

If the user is having problems signing in with the ERN and PAYE numbers they can click the 'How to sign in' link and be directed to this screen. Clicking the 'Sign in' button will take them back to the ERN and PAYE sign in screen.

The user enters their email and password and is directed to the Employer Portal service

The user enters the ERN and PAYE numbers and is directed to the Employer Portal service
