Existing employer - no contact details migrated

Child Maintenance Service

You'll be set up as an administrator

Your employer does not have any contacts linked to their account.

Each employer must have at least one administrator.

What can an administrator do?

add other users to the employer account

delete any contacts you do not need

GOV.UK Prototype Kit v12.3.0 Clear data

choose whether they have administrator access

As an administrator you're able to:

As the first person to sign in to this account, you're automatically made an administrator.

What does this mean?

Because there are no existing contact details migrated the user must complete the screens to capture all their information
